Dear Sirs/Madam,

Sub: Intimation about resuming operations at plants in phased manner under Regulation 30 of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We refer to our communication dated 28th March, 2020 bearing reference number MEIL/SEC/2019-20/28, informing the Exchange temporary suspension of operations at Manufacturing Units and registered Office of the Company due to the COVID - 19 outbreak and restrictions imposed by the State and Central Government thereto.

We would like to update the Exchange that Company's manufacturing operations at Goa, being a Green Zone, have since been permitted to resume work by local authorities with adequate health and safety guidelines in place.

Plants at Goa have thus reopened, with minimum personnel with adequate arrangements to maintain necessary hygiene and social distancing. Other staff members have been allowed to continue work from home.

We are adhering to the health and safety guidelines prescribed, at the workplace by the Central/State Government and appropriate authorities, in order to prevent the spread of Covid-19 pandemic.

You are requested to take the same on record & oblige.

Thanking You.

Yours faithfully,

For Marine Electricals (India) Limited

Reesha
